In the heart of Recoletos, a few steps from the Retiro Park, we present this renovated apartment of 50 m2 in an elegant royal estate.

Located on a second interior floor, it offers an unusual combination of tranquility and privileged location in one of the most popular areas of Madrid. A home designed for those seeking a sophisticated shelter in the heart of the city or a solid investment with high demand. The interior has been carefully designed to maximize each space. It has two bedrooms and a large bathroom, next to a cozy living room with fully equipped kitchen. The reform stands out for the intelligent use of wood, with panels that hide doors and cabinets, providing visual continuity and warmth. The result is a contemporary, functional and elegant atmosphere ready to live in. Living in Recoletos is enjoying one of the best versions of Madrid: boutiques, restaurants of reference, galleries and all services on street level, with El Retiro as a natural extension of home. An area that combines lifestyle and heritage value. An attractive opportunity both to live and to invest in one of the most demanded directions of the capital.
