There are homes that surprise from the very first moment.

This is one of them. Located on a fifth and last floor, where light finds its best orientation, this elegant renovated apartment demonstrates that true luxury often lies in the calm, privacy and spaces illuminated by the best natural light. Located in one of the most exclusive areas of the city, on Conde de Aranda street, Recoletos area, the house has 60 m2 built and is part of a beautiful classic building recently renovated, with elevator, doorman and a well-kept stately architecture. Although it is interior, its south orientation and its position on the top floor allow it to enjoy an exceptional luminosity throughout the day in all aspects of the house. The property is sold fully furnished and ready to move in. It has a large living-dining room with fully equipped integrated kitchen, designed as an open space, cheerful and welcoming. The sitting area offers two very bright double bedrooms with built-in floor to ceiling wardrobes and a full bathroom. It also has a laundry closet and additional storage space. As an added value, a 9 m2 independent stay is included in the price, completely renovated, with bedroom and bathroom, ideal as guest bedroom, private office, service room or even as an asset...
