Upon entering, we find a large hall, which leads to the living-dining room with its own terrace completely outside.

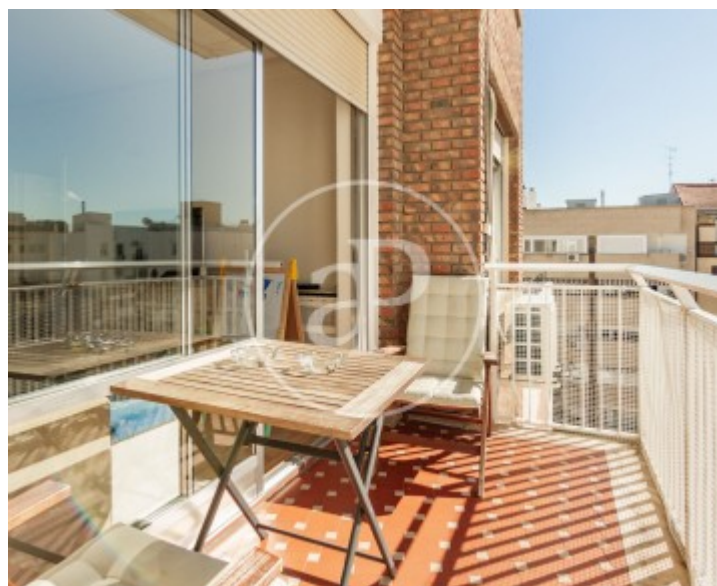

Very luminous. It has two bedrooms, with fitted closets, and each with an en suite bathroom, a bathroom with bathtub and one with shower. Kitchen equipped with all appliances, high-end. Unbeatable location, in the most exclusive areas of Madrid. Recoletos is one of the six neighborhoods in which the Salamanca district of the city of Madrid is divided. In this neighborhood there are buildings of great importance, such as the National Library, the National Archaeological Museum or the Church of San Manuel and San Benito. It is also an important

shopping area for luxury goods, specifically on Serrano Street. Possibility of additional parking. Can you imagine living here?
