Between Puerta del Sol and Plaza de Canalejas, in a quiet street, we find a cosy sixth and last exterior floor refurbished brand new.

A beautiful property completely refurbished in 1998 with lift, gives way to a floor distributed in a day area, composed by a living room and integrated kitchen, a complete bathroom, and a night area composed by two double bedrooms, one of them with bathroom en suite. A careful selection of materials and a perfectly designed interior design make this property a wonderful option for both living and investing in the centre of the capital. Can you imagine living here?
