This wonderful flat has been completely refurbished by the architect Héctor Ruiz Velázquez.

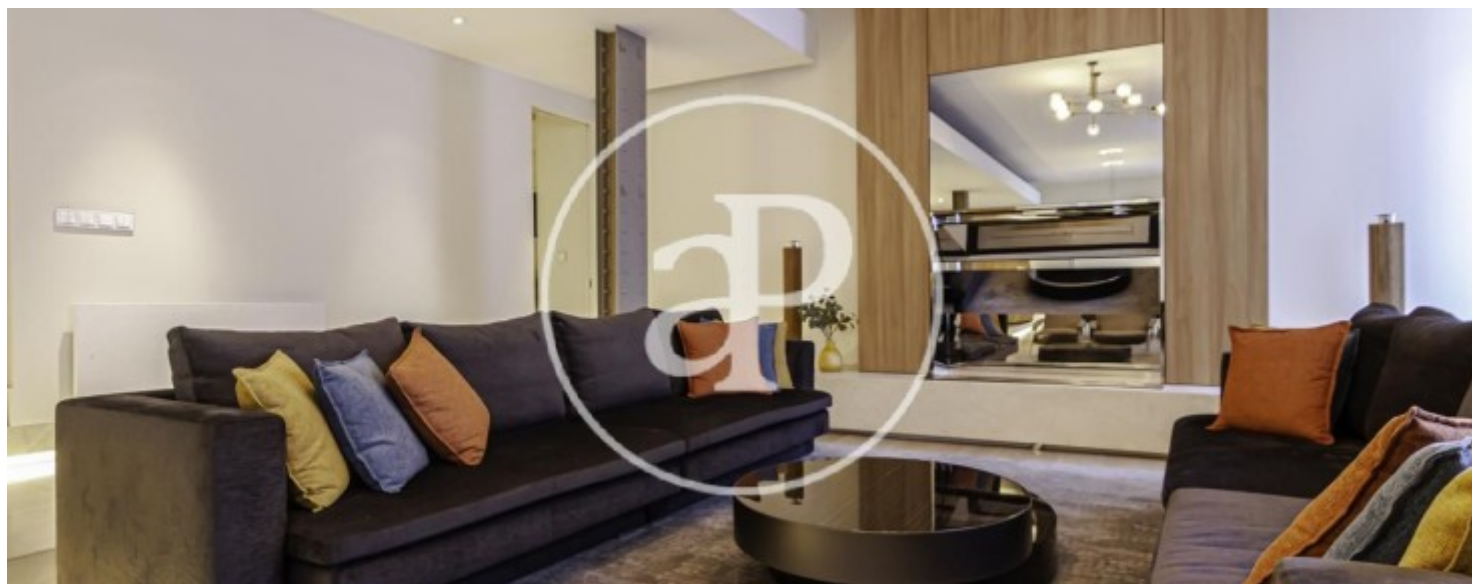

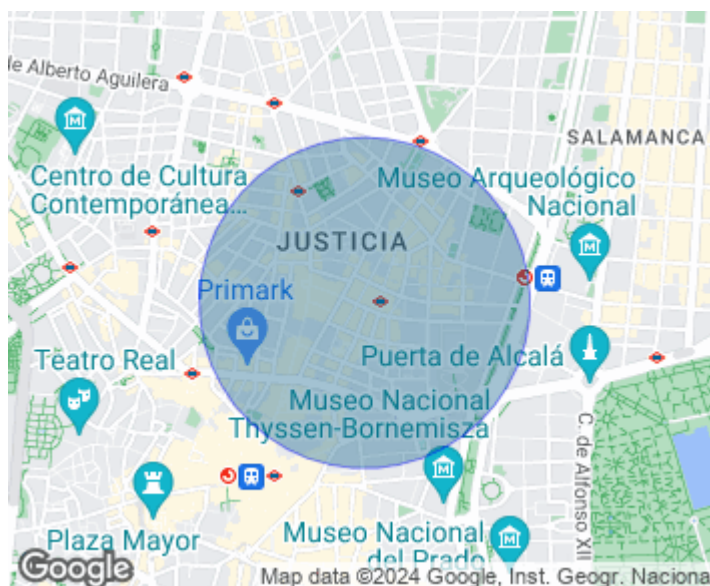

The entrance, presided over by a walkway with a small pond, gives access to a bright, cosy and enveloping space. The large living room, with its large windows and high ceilings, houses several different spaces, featuring a fireplace set into a piece of furniture, shared with the living area, which is furnished with selected designer furniture. Next is the dining room with a spacious table and the kitchen area, elevated and fully integrated, dressed in the same Levantina marble and Innovus wood that also clads the entire flat. It is also complemented with all kinds

of state-of-the-art electrical appliances and plenty of storage space. The night area consists of 6 bedrooms all with en-suite bathrooms accessed through warm frameless wooden doors hidden in the walls. The master bedroom has a dressing room and a beautiful skylight. Utility and laundry area. All rooms have TV, air conditioning, central heating throughout and Bang & Olufsen sound system. The building has a lift and 24 hour security.
