Wonderful flat located in one of the main arteries of the neighborhood of Vallehermoso.

The property is distributed in a magnificent hall equipped with a large dressing room and a stylish toilet. From there we access a living room distributed in three interconnected rooms, with direct access to a bright terrace thanks to its south orientation. Next, we find a hallway that distributes the rooms. The flat has 4 bedrooms (three main bedrooms and one service bedroom) and 3 bathrooms. At the end of the house we find a large kitchen with office, with a spectacular window overlooking a large courtyard, laundry area and water area. From there there is access to the service

door. The house has a large storage capacity thanks to the number of fitted closets it has. It also has a storage room of about 13 m³ and several parking spaces in the adjoining property.
