Set in an environment of complete privacy and nature, this magnificent rustic finca in Manacor offers 28,777 m² of land and approximately 400 m² of built area, combining the character of a traditional Mallorcan rural property with solutions designed for a more sustainable lifestyle. Direct road access to the property and spectacular 360° open views across the Mallorcan countryside provide both convenience and an exceptional sense of space. The main residence is distributed over two floors and comprises 4 bedrooms, 2 bathrooms and a kitchen with terrace. The property also features an independent guest apartment, with a bedroom and en-suite bathroom, providing a private and comfortable space for family and friends. One of the finca's main attractions is its focus on a more

sustainable and self-sufficient way of living. The property is equipped with photovoltaic solar panels, storage batteries and an inverter, making use of solar energy, as well as a water well and cistern for water collection and storage. Together, these features offer greater autonomy while allowing residents to live in close connection with the property's natural surroundings. The outdoor spaces are designed to make the most of the authentic Mediterranean lifestyle. The property features a beautiful swimming pool, covered porch, barbecue area, garage, stables and spaces for horses, as...
