This spectacular villa was built in the 90s, in a particular Arabic style, distinguished by a large number of details such as arches and columns typical of this style, with wrought iron railings and solid wood details, huge crystal chandeliers, marble floors and mosaic walls. The 573 square meters built are distributed in 5 levels as follows: In the basement, the 50 square meters serve a generous garage and storage room. On the ground floor we have two individual apartments, each consisting of a living room with an open kitchen, a bedroom and a bathroom. There is the possibility of joining both apartments through an interior patio. On the first floor we find an impressive hall, with marvelous columns, arches and a ceiling with a design characteristic of the Arabic style, which leads us, on the one hand,

to a living room and a large office with a fireplace and access to 2 terraces and on the other hand, to a huge kitchen, with its own pantry, which communicates with a bright dining room, which also has its fireplace. On the second floor we find the 4 bedrooms, each one with its own bathroom, fitted wardrobes and an individual design with walls covered in silk, or decorated with the planets of the solar system. On the last level we find a barbecue and chill out area with sea views and the possibility of building a pool (according to plans). A laundry is also located here. This property has the...
