AProperties presents this exclusive property, located in the quiet area of Cavall Bernat in Matadepera, surrounded by a haven of peace and tranquility, with fantastic views.

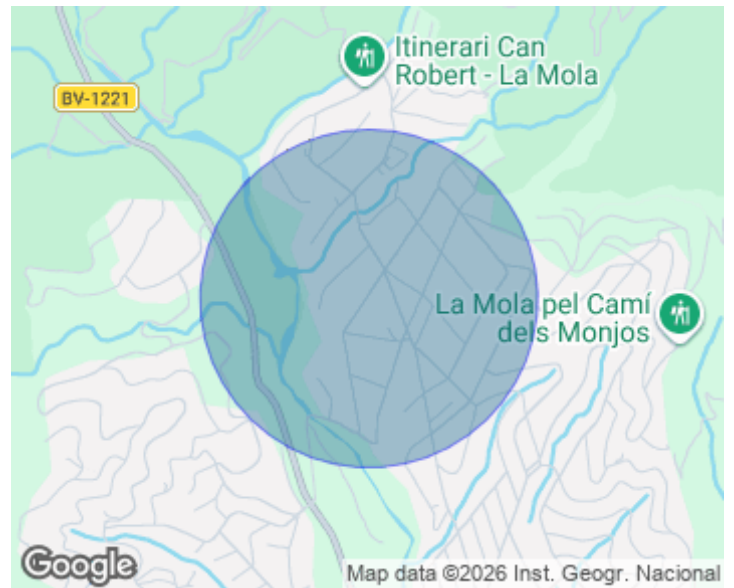

This beautiful home stands out for its classic and elegant charm, featuring an aesthetic that combines traditional Mediterranean style with carefully integrated rustic details and a subtle touch of English style. The façade, finished in a delicate pink tone, brings warmth and personality, while the exposed brick frames around the windows and doors enhance its architectural character. The pitched ceramic tile roof, together with the two side chimneys, reinforces its traditional and timeless

style. The main entrance is presided over by a robust green door, and a central arched window on the upper floor adds a distinctive and elegant touch. The windows feature light-toned carpentry and small wrought-iron balconies that add sophistication. On the main floor, we find a large living-dining room with a fireplace, open to the garden, filled with natural light and highlighted by a beautiful staircase with a wrought-iron railing. Both in the living room and throughout the rest of the house, solid wooden beams stand out, providing that rustic touch... which is repeated across all...
