A sanctuary where nature and design collide.

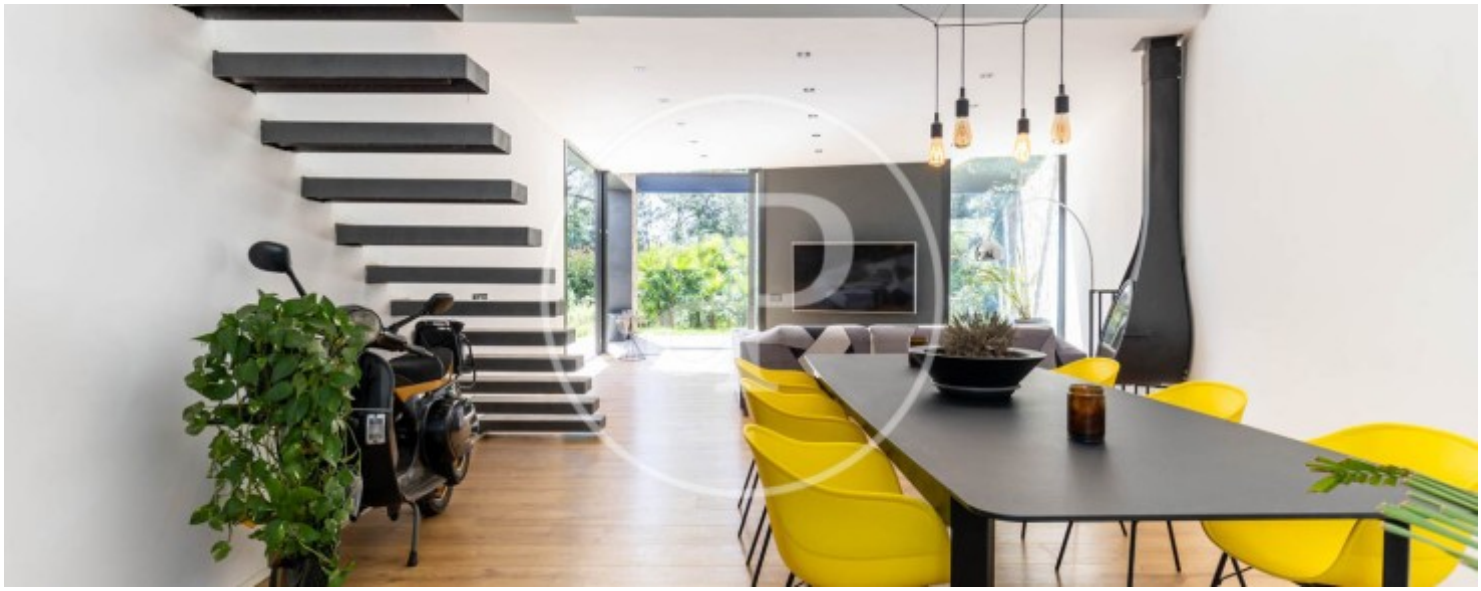

At the foot of the Sant Llorenç del Munt Natural Park, where the forest feels as though it begins right at your front door, and just 30 minutes from the vibrant city of Barcelona, sits this home designed for those seeking more than just an address: a place to breathe. The 3,100 sq m plot envelopes the residence in a lush, peaceful quiet broken only by birdsong. Here, privacy is not an added feature—it is the essence of the home itself: no neighbors in sight, only a landscape that evolves with the seasons. The 350 sq m residence opens seamlessly to its environment through modern, light-filled architecture, where floor-to-ceiling windows flood every room with natural daylight. The construction expertly blends fine and contemporary materials: natural stone dresses select exterior walls, adding warmth and character, while inside, soft gray microcement lends a refined, modern, and seamless aesthetic to the living spaces. Hardwood floors run throughout the home, bringing visual and tactile warmth, striking the perfect balance between organic and mineral elements. The layout features 4 bedrooms, 3 full bathrooms, and versatile multi-purpose areas that adapt to every stage of family life: a home...
