An exceptional property in Matadepera: privacy, nature, and views to fall in love with. There are places that go far beyond a mere dwelling—places where the landscape becomes part of everyday life, where privacy is a privilege, and where every room invites you to pause and enjoy. This property, located in Matadepera just 30 kilometers from Barcelona, is one of those unique places designed for those seeking a lifestyle where luxury is measured in space, tranquility, and connection with the surroundings. Its greatest attraction is undoubtedly its panoramic views and privileged location right next to the Sant Llorenç del Munt i l'Obac natural park, with the emblematic Mola peak as a backdrop. An extraordinary natural environment offering privacy, serenity, and access to a landscape of great

beauty, without giving up proximity to Barcelona. Architecture open to the landscape. The home has been designed to enjoy the views from practically every corner. Its large windows allow natural light to flood the spaces and integrate the landscape into the interior decor, creating a constant connection between indoors and outdoors. The spacious living-dining room, presided over by a cozy fireplace, becomes the heart of the house. Its generous dimensions, together with the fluid connection to the kitchen, garden, and porch, create an ideal space both for family life and for hosting guests...
