and most convenient areas of Palma de Mallorca. It is a modern, comfortable property designed to offer a functional and pleasant living experience, both in terms of layout and the quality of its finishes. The building consists of four floors and a total of seven apartments, all fully furnished with taste and ready to move in. On the first three floors, there are two apartments per level: one with 1 bedroom and one with 2 bedrooms, providing variety and flexibility according to accommodation needs. On the fourth floor is the penthouse, a special 2-bedroom apartment with a large and bright terrace, ideal for creating a relaxation area or for residents to enjoy the mild Palma climate all year round. Each apartment has been decorated in beige, gray, and white tones, providing an elegant, neutral, and timeless aesthetic, easy to adapt to any personal style. Finishes also vary depending on the unit, as some have parquet floors that add warmth and a modern touch, while others have hydraulic tiles, which add character and a very special Mediterranean feel....
