In Apuntadors street, just a few metres from the seafront promenade and Paseo del Borne, in the heart of the CITY, surrounded by all kinds of shops, leisure centres, means of transport and points of tourist and cultural interest, in a stately building, we find this exclusive refurbished flat with a modern style and an industrial touch, which plays with the recovery of the original elements of the house and it is brand new. Upon entering, the entrance hall leads into a hallway which communicates with the very good sized kitchen which is equipped with: electric hob and oven, fridge and dishwasher. Continuing through the original classic double doors, we have the day room with a balcony overlooking the street. To the left of this is the master bedroom with its own balcony and en-suite bathroom with

walk-in shower and a small laundry area with washing machine. The whole property has a mix of different types of flooring including: wood, stoneware and original hydraulic tiles, white walls and traditional wooden beamed ceilings, period doors, electric radiators in all areas and ceiling fans.
