In the area of Santa Creu we find a small three-storey building without premises.

The three floors can be used independently for rental purposes. The three floors can be rented independently, as has been the case, or they can be bought with the intention of joining the whole property. It is an interesting property for investors, but also for those who want to have a special home in the centre of Palma. This building has been completely refurbished, has air-conditioning, heating and everything is electric. Each of the flats has a bedroom, a bathroom and a kitchen.
