In the historic neighbourhood of El Terreno we find this townhouse which has been designed by the renowned architectural studios MRVDV from the Netherlands and GRAS from Mallorca.

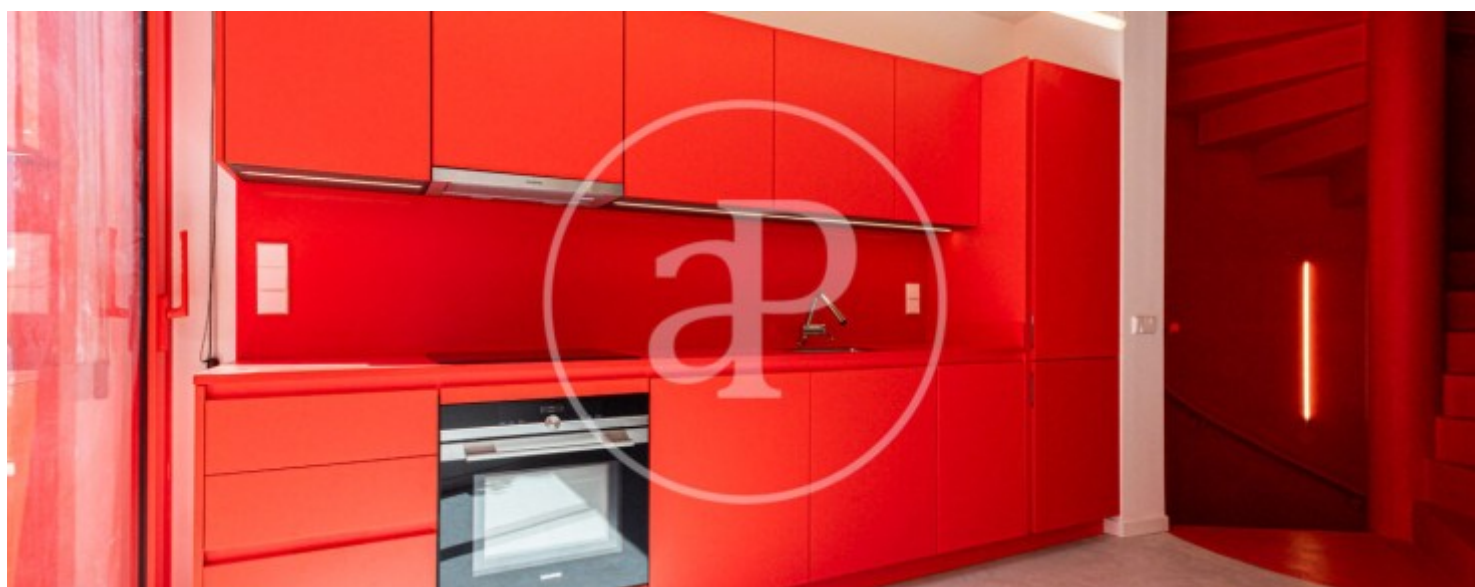

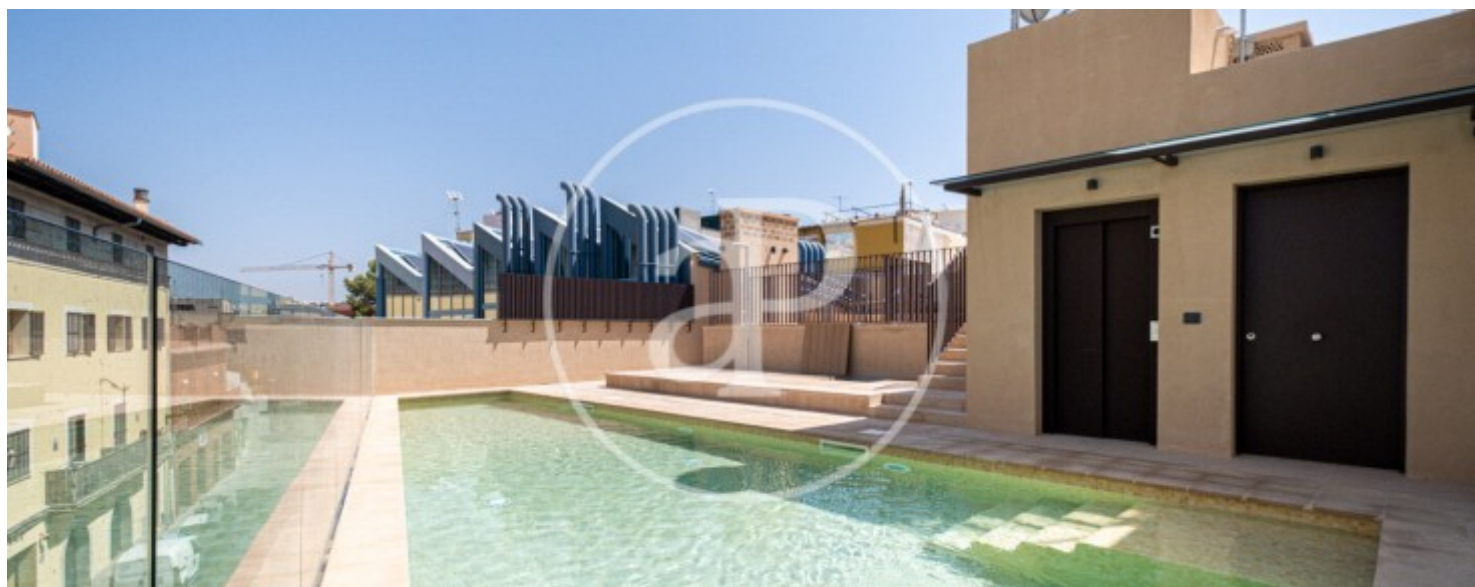

The property has 137 sqm built on different floors. It has a spacious living/dining room and a fully fitted and equipped designer kitchen. The house has a basement with a skylight in which we find the laundry area and a room with independent bathroom ideal to be used as an office, living room or guest room. There are two double bedrooms with fitted wardrobes and a bathroom with shower. Modern stairs lead to the 53 sqm solarium terrace. It is worth mentioning the high quality

finishes, construction with sustainable materials, cement floors, double glazed windows, underfloor heating and aerothermal. Included in the rent is the use of the swimming pool and gymnasium. There is an option to rent a parking space in the adjoining building. The land, one of the most authentic in Palma, recovers its splendour with the new Gomila project with first class homes and buildings. It has an excellent location, surrounded by new restaurants, supermarkets, shops and very close to the Paseo Marítimo and the marina "El Club de Mar". Can you...
