This is a 307sqm loft located in an exclusive area in Palma due to its proximity to the centre, good connection to public transport and large shopping centre, close to the Bellver forest where one can go for long walks with pets, sports or just a stroll through the beautiful city. It is an urban loft, with a part of the facade completely glazed and that makes it so warm and bright. The finishes are made with high quality materials and very tasteful. The kitchen is fully equipped and there are two bathrooms. There is the option to buy or rent a parking space in the same building. Can you imagine living here?
