Two adjoining properties with residential projects and significant development potential in Palma Two independent and adjoining properties are being sold together on Carrer Prunes in Palma, in an area offering interesting possibilities for residential development. The sale combines a currently habitable property with a second property that has a basic project for the construction of two independent homes, offering different development possibilities, either individually or as a combined project, always subject to the relevant planning feasibility and administrative procedures. PRUNES · FIRST PROPERTY CURRENTLY HABITABLE HOME The first property is currently habitable and in good condition. It also has a basic renovation and extension project for an approximate built area of 136.5 m². The

project provides for a functional layout and outdoor spaces designed to enjoy the Mediterranean lifestyle, including: 3 bedrooms Dressing room 2 bathrooms Large living-dining room with integrated kitchen Garage Approximately 58 m² terrace Private swimming pool Garden PRUNES · SECOND PROPERTY PROJECT FOR TWO INDEPENDENT HOMES The second property currently consists of a building in a state of disrepair and has a basic project for the construction of two independent homes of approximately 76.5 m² each. The project also includes different outdoor areas, terraces and...
