In the heart of Palma's old town, a unique building has been reinvented for elegant and modern living.

The century-old 4-storey building, once the urban home of several families in Mallorca, is being remodelled into a sophisticated and exclusive city dwelling. Located within walking distance to shops, cultural centres, cafés and restaurants. Completion is scheduled for spring. This modern update of this beautiful "house in the centre of Palma", next to Las Ramblas, will enjoy its own lift, 25 sqm terrace, two spacious bedrooms, three bathrooms, two of them en suite and a guest toilet in a stunning location. A whim for those looking for modernity in a unique new development in the centre of Palma. The combination of these unique details with modern comforts will create a home halfway between history and convenience, fully equipped for contemporary living. Can you imagine living here?
