In the iconic neighborhood of Sa Calatrava, in the heart of Palma's Old Town, sits this unique loft-style duplex measuring approximately 90 sq m built.

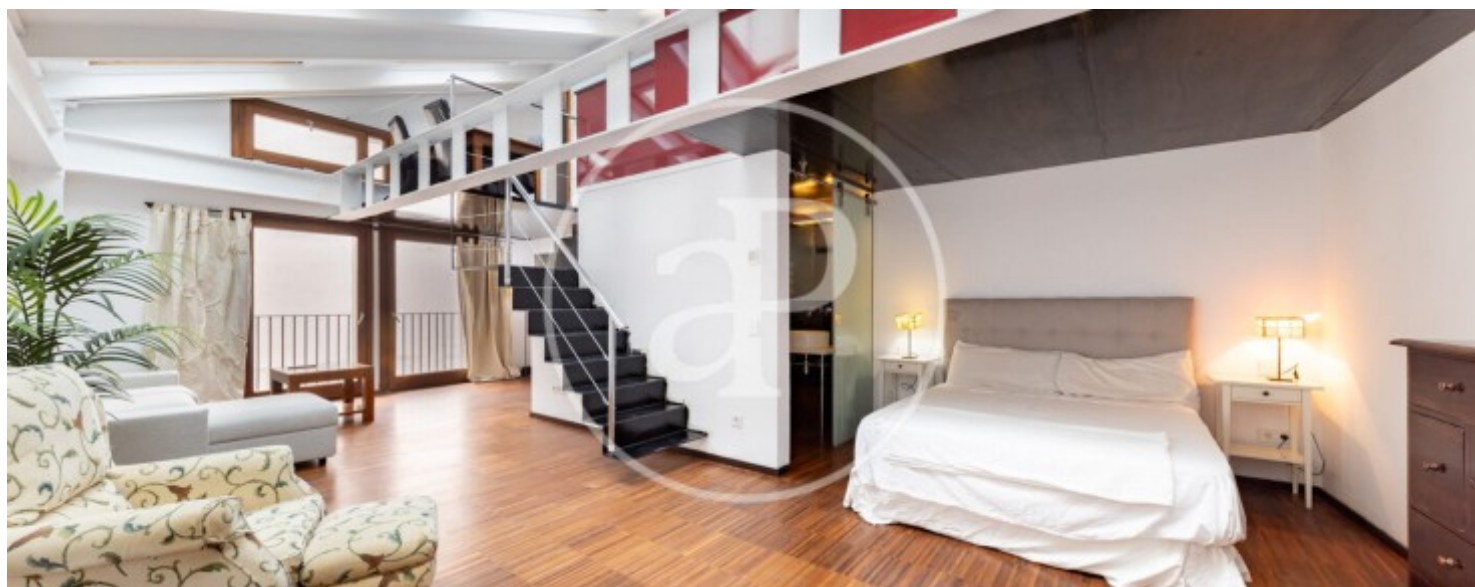

It is set within a restored historic building that seamlessly blends contemporary design, comfort, and state-of-the-art technology. Upon entering the residence, you are welcomed by a practical open kitchen, fully furnished and equipped, featuring a striking design in red accents and stainless steel. This same level integrates a pleasant dining area, creating a cozy and functional space ideal for daily living. A modern designer staircase leads down to the lower level, where a double-height space opens up into the

primary living area. Large windows and eight automated Velux skylights flood the property with natural light, enhancing the sense of space and the unique character of this loft. This floor also houses the master bedroom with an en-suite bathroom, finished with contemporary materials and featuring a hydromassage shower. The property stands out for its high-specification finishes and cutting-edge home tech engineered for ultimate comfort, including underfloor heating, an aerothermal system, home automation (domotics), and elegant hardwood parquet flooring throughout. A singular property for...
