**In a very quiet street of Jaime III, we find this refurbished apartment of 110 sqm that stands out for its high ceilings and exposed beams.**

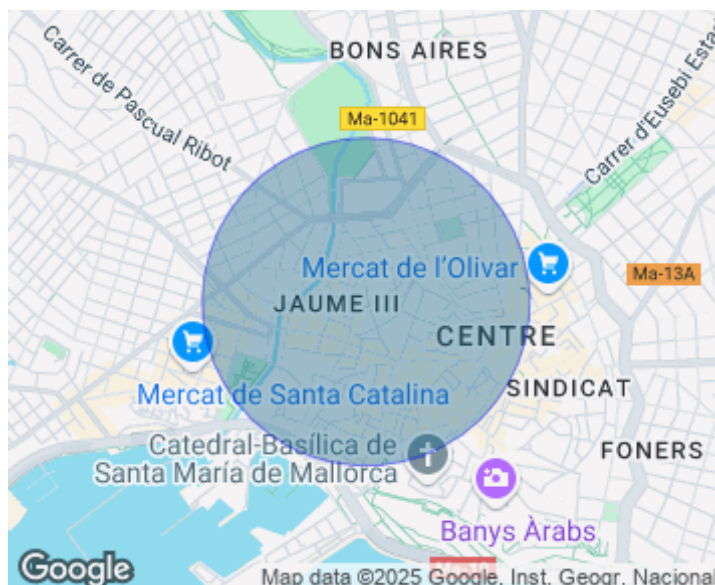

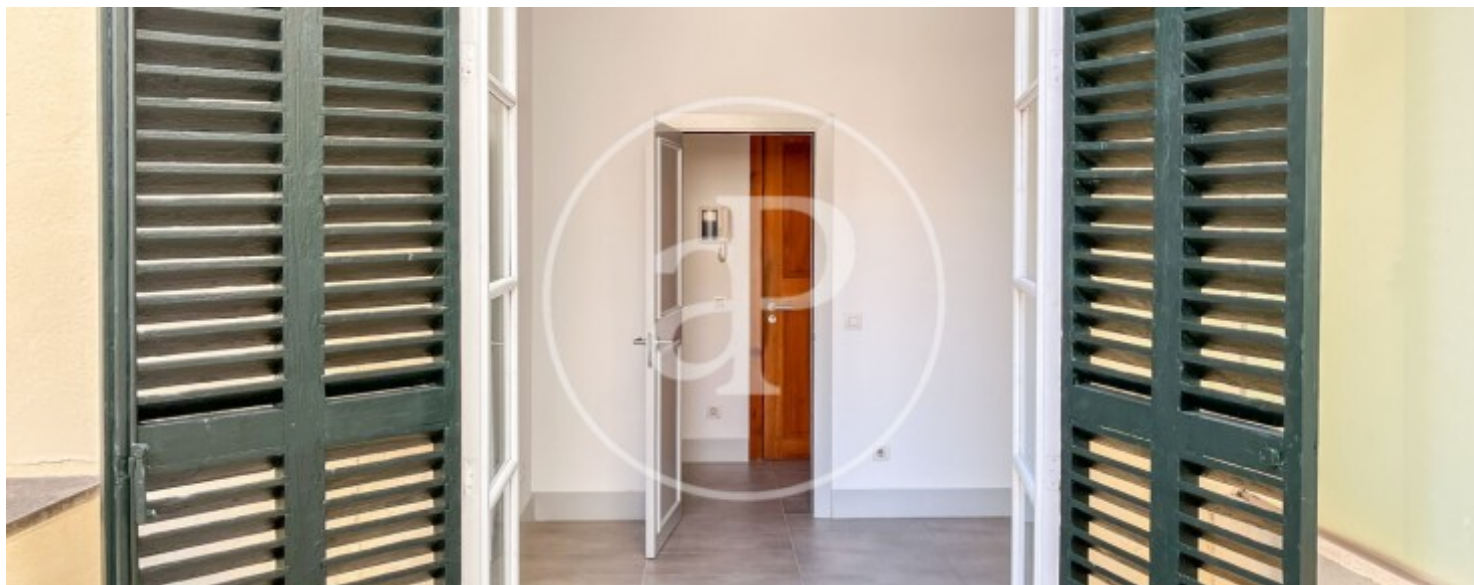

From the entrance door to the apartment, through a corridor we access to the day area where we find a living-dining room which stands out for its high ceilings and a large window with access to a balcony. The independent kitchen but at the same time open to the living room is fully furnished, has an ideal bar to put stools and cook comfortably. In the night area there are two double bedrooms, one of them with built-in closet and a large bathroom with bathtub. It should be noted that one of the rooms has access

to a terrace. It is worth mentioning the entrance to the building with a typical Majorcan patio very well maintained, tiled floors in gray tones, air conditioning hot and cold, Majorcan shutters and exposed beams in some rooms. Surrounded by all kinds of restaurants, supermarkets, pharmacies and hospitals. A few minutes walk from the Paseo Marítimo and good bus connection to the airport. Can you imagine living here, we are waiting for your call!
