In the area of Sant Jordi we find this agricultural and livestock property of 29.

000 sqm. At the moment it is only used to keep the horses, as it has a special area for them. At the entrance of the finca there is an old mill with a beautiful wash house full of water and some stables. This is like a group of stables for the horses. We leave this old building with a lot of character, very beautiful, very Mediterranean, and move on to the main building; a renovated old house of two floors with Arabic tile roofs, with a very large volume and completely renovated. The original structure of the house has been used, but by its owner, a very well known person in the world

of construction, it has been completely reformed with the maximum of qualities in masonry, as plumbing, electricity, all the guarantees for those who are going to buy this house, the house has about 400 m² including porches and terraces. The house has five bedrooms, four bathrooms and a toilet almost all rooms have en suite bathrooms. Entering the house we have a large living room with fireplace and very large spaces completely open to the garden through large windows. From the dining room there is access to the kitchen, a large kitchen which also has access to a pantry area and laundry...
