A property with great potential in one of Palma's most sought-after areas, located on Federico García Lorca Street in Son Armadams.

This top-floor apartment features 3 bedrooms, 2 bathrooms and a terrace, with its unobstructed views of the sea, Palma harbour and the Cathedral being one of its main highlights. The property requires renovation, offering the opportunity to redesign and update the spaces according to each buyer's needs and personal style. Its layout and location provide excellent possibilities for a renovation project. The terrace is undoubtedly one of the property's main attractions, offering a wonderful space from which to enjoy the views and the atmosphere of Palma Bay. The property is also situated in a well-established and convenient location, with everyday amenities just a few steps away, including Mercadona, a pharmacy, shops and other local services. Its proximity to the harbour, Paseo Marítimo and Palma city centre further enhances the value of this location. A renovation opportunity with a particularly hard-to-find combination: top floor, terrace and views of the sea, harbour and Cathedral.
