aProperties is pleased to present this wonderful semi-detached house in Almassora beach, where tranquillity reigns in a very family-friendly residential area with a communal pool, just a few minutes' walk from the beach and only 10 minutes by car from Castellón. The main attraction of this property is its four terraces, two facing north and two facing south, both on the ground floor and on the second floor. The house features a living-dining room, a kitchen, and a full bathroom on the ground floor, surrounded by these terraces, one of which provides access to the communal areas of the development, such as the pool. On the first floor, in addition to a second full bathroom, there are three spacious bedrooms with built-in wardrobes and double-glazed windows. If we go up one more floor, we

reach the fourth bedroom, designed as a charming attic room, and its two terraces, which offer multiple possibilities such as closing one of them to create a storage room or extend the bedroom, or simply enjoy the open views of the orange groves of Castellón. Next to the house is a parking space included in the price, with its access door located right next to the property, unlike the rest of the homes in the development. If you would like to live in this semi-detached house with a pool near the beach, do not hesitate to contact us to arrange a viewing.
