Are you looking for peace and space while staying very close to the beach and its shops? This incredible corner villa in the Port of Burriana is made for you.

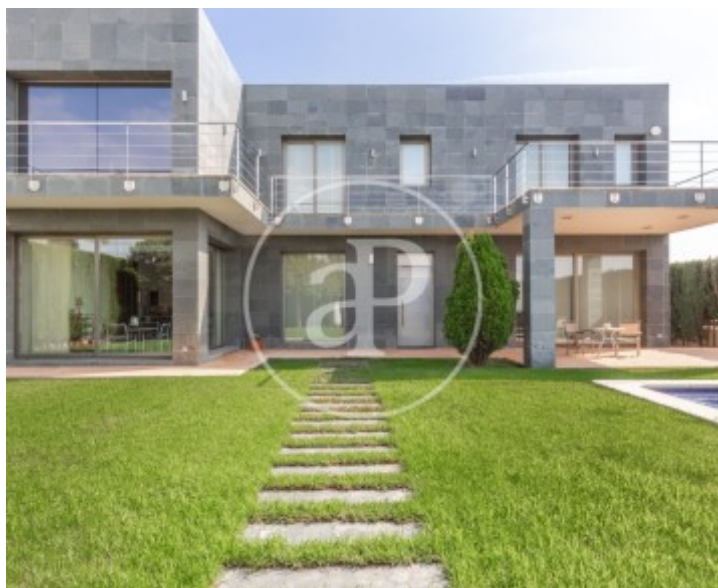

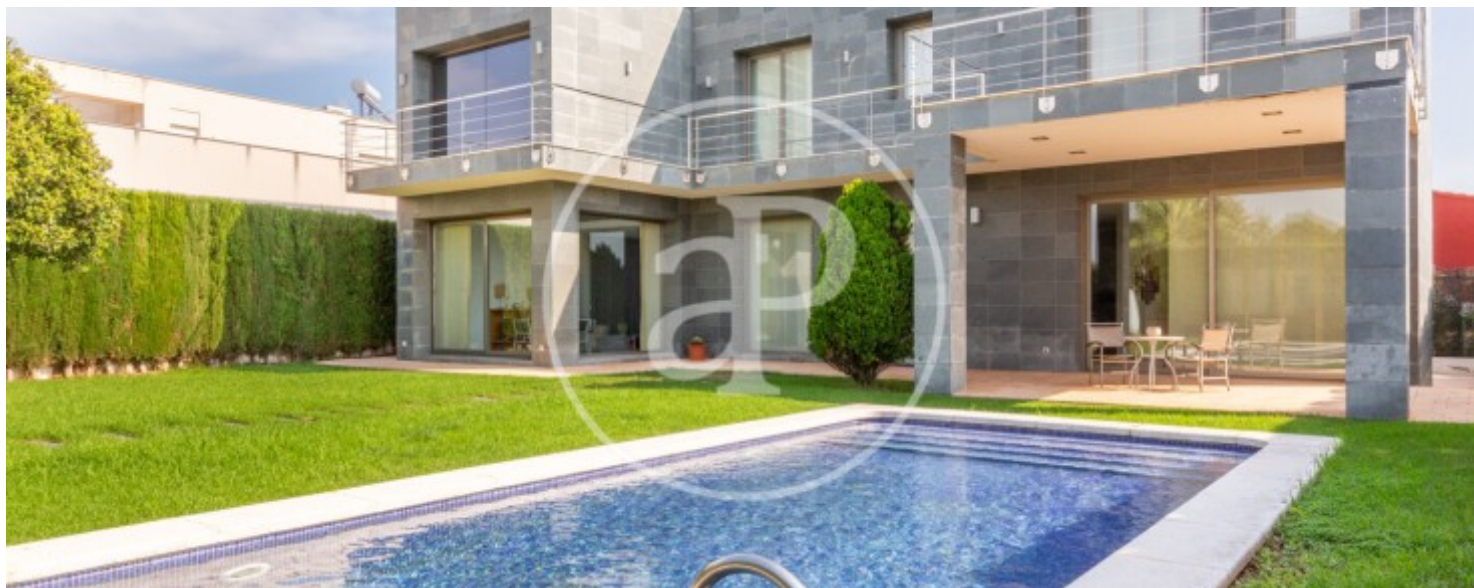

With a 779 m² plot that includes a spectacular garden, a 10x4 meter swimming pool, and a 464 m² house clad in rectified natural slate, it becomes a dream property. This architectural gem combines luxury and spaciousness. Upon entering, you are greeted by a large living-dining room with its own guest toilet on the ground floor, where there is also an independent kitchen. Upstairs, you'll find four bedrooms, each with its own full bathroom, providing total privacy and comfort for every

guest. This floor also features three terraces overlooking the garden and the pool — perfect for enjoying a morning coffee or keeping an eye on the little ones from above. The rear exterior area, visible from some of the bedrooms, includes parking for up to four vehicles with access through an automatic gate. There's also a circular barbecue with a wood store and an industrial sink. Another great comfort of this villa is its underfloor heating, which helps keep you warm during the mild Mediterranean winter. It also has Climalit windows, air conditioning, and reinforced access...
