Located in the prestigious urbanization of La Cabaña, one of the most consolidated and sought-after residential areas of Pozuelo de Alarcón, this detached villa represents an exceptional opportunity to create a fully personalized home in a privileged environment. The property is located on a plot of 400 m² and has a buildability of 265 m², offering wide possibilities for design and distribution. Currently, the house is in a very advanced phase of structural reform, allowing the future owner to finish the project completely to their liking and adapt each space to their needs and lifestyle. It is important to note that the property is sold in its current state of execution and the price corresponds exclusively to the current state of the real estate. The house is not delivered finished or

turnkey, being the buyer who must complete the final phase of the renovation and finishes according to the project he wishes to develop. However, most of the main works have already been carried out, including foundation, structure, enclosures and much of the work execution, which is a major advantage both in terms of time and investment for the future owner. There is also an original project already developed by the current property, which can be continued and completed as planned, although it also offers the possibility of completely redesigning the project and creating a fully...
