Apropreties presents this beautiful detached villa of 703 square meters in the Urbanization Monte Alina on a plot of 1,400 square meters, a magnificent Levitt model MGranada.

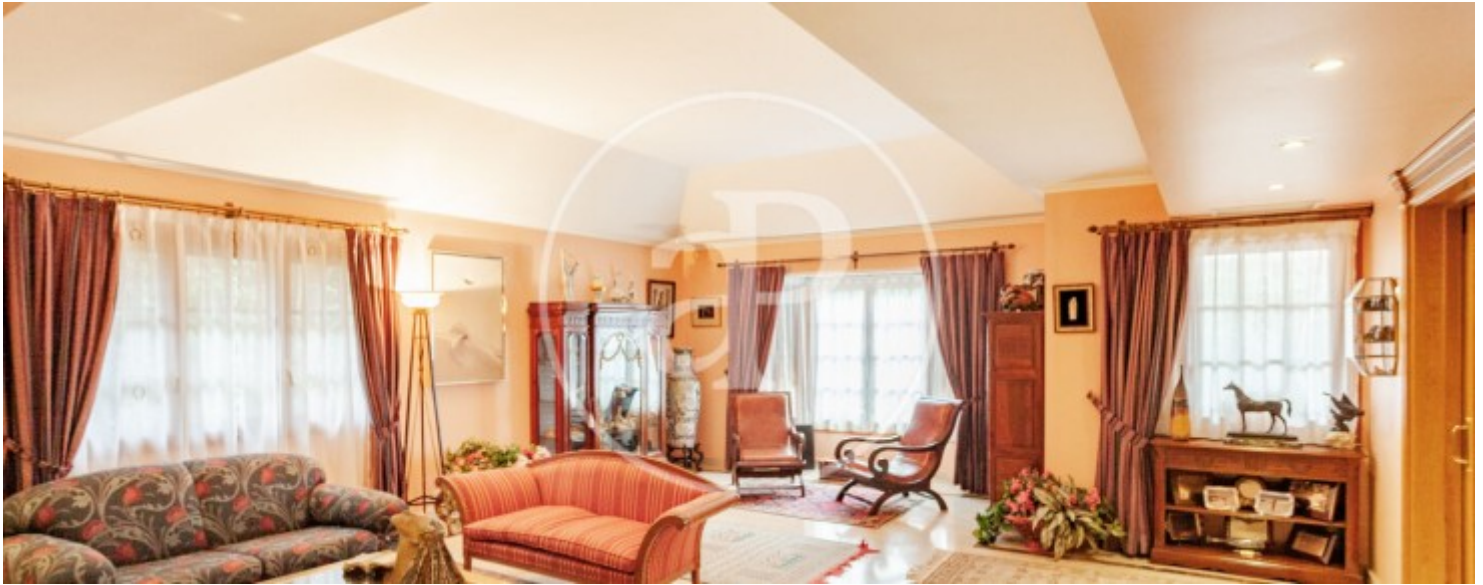

The house has three floors. Access to the house is through a large hall, where the staircase leading to the upper floor is located. On the first floor there are three living rooms, one of them with fireplace and direct access to the garden, a large dining room with connection to the kitchen area. The large porch with 90 m2 roofed. The kitchen has an office and a pantry. On this floor there is also a bedroom with bathroom and a storage room used to store gardening tools. On the second floor

there are four bedrooms, the master bedroom with en suite bathroom and dressing room, two other bedrooms sharing a bathroom and the fourth bedroom also has an en suite bathroom. All of them are of ample size. In addition, there is a large living room that connects to the master bedroom and one of the bedrooms. The house is very bright as it has large windows. Although it is not usual in the Levitt constraint, the bedrooms have blinds and there are recessed spotlights in the ceilings of the rooms. In the kitchen area is the descent to the semi basement, where we find a multipurpose room with...
