In the residential heart of Ripollet, within the quiet neighborhood of Molí d'en Rata, aProperties presents a 192 m² townhouse designed for families looking for space, light, and a life of its own on each floor. A solid proposal in one of the most established and in-demand areas of the municipality. The property is organized on three levels with a very functional layout. The ground floor accommodates the two-car garage, one bedroom, one bathroom, and a generous outdoor terrace. On the first floor is the heart of the house: a bright kitchen-dining room with access to a balcony, a bathroom, and an additional bedroom with direct access to a private patio. The upper floor is entirely dedicated to rest, with four bedrooms and a full bathroom, forming a quiet and cozy night area. The surroundings

make it especially attractive for families with children: a school just a few steps away, supermarkets in the neighborhood, and well-connected bus stops. Ripollet offers that increasingly sought-after balance between residential tranquility and easy access to Barcelona, with everything needed for daily life within walking distance. A house to grow, enjoy, and stay. If you are looking for a family home with character in the Barcelona metropolitan area, this is the type of opportunity that usually does not wait.
