## Fantastic penthouse located in the heart of Sabadell.

The apartment is located within a community with garden area, children's area and concierge. Upon entering this spectacular penthouse we find a renovated apartment of 221m2 built and ready to move into. We access a small but nice hall with fitted closets that leads to a large and bright living room with access to a large terrace. We continue and access to a square and large kitchen with fitted closets and a small bar where you can eat. From here we access the sleeping area where we have two large single bedrooms, a bathroom and two double bedrooms, one of them en suite, three of the rooms with access to

another terrace overlooking the communal area. In short, we are talking about a very bright penthouse with spacious rooms, which has air conditioning with hot and cold and two spectacular terraces, elevator, doorman and direct access to the parking from the communal area. The penthouse is very well connected, both by public transport and by road. Close to the central market, the town hall, the pedestrian area, schools and all kinds of stores such as restaurants, stores and entertainment.
