aProperties Real Estate is pleased to present today this magnificent property of 321 m2 located in an emblematic building in the heart of Sabadell, walking distance to all services and amenities.

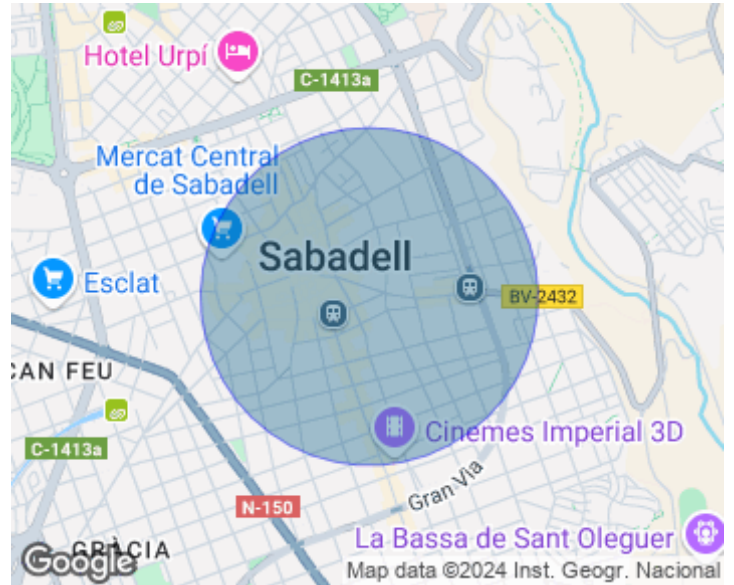

It is a third floor where no landing is shared, because there is one floor per floor, which leads to extra privacy within a great community of neighbors. We enter the house and we receive a large hall that is responsible for separating and distributing the different areas of this, on the one hand day rooms next to the service area and on the other hand, night or rest area. In the day area, we have a large living and dining room of 51 m2 with direct access to balcony, this

room connects with a toilet and another room for meetings or meals that communicates directly with the magnificent office kitchen, fully renovated and equipped with high-end appliances. The kitchen leads us to the service area which is totally private, consisting of a laundry area and a complete bedroom with integrated bathroom, connected to the service entrance with forklift. We headed to the rest area, but before, we passed through a magnificent room for office, exterior and air-conditioned. Now, a nice hallway full of closets leads us to the bedrooms, first a master suite with dressing...
