aProperties Real Estate is pleased to present today, this comprehensive rehabilitation project of two semi-detached houses, totally symmetrical, sharing a swimming pool and very close to the Gran Via and the Centre of Sabadell. The aim of this project is to update, modernise and equip these two houses down to the last detail, while maintaining as many of the classic elements that make these properties so special and different as possible. Each house has its own pedestrian access and garage to access the house. On this same access floor we find a large entrance hall and a complete bathroom that serves the entire day area, consisting of a large fully equipped independent kitchen that leads to the living room and dining room. From here we go out onto a private terrace from which we can access the swimming

pool area shared by the two parts of the project. Returning to the interior, we go up an imposing staircase to the first floor, where it divides the 3 bedrooms. On one side, we have a double bedroom, exterior with dressing room and another bedroom or office, also exterior and with dressing room, which share a complete bathroom. On the other side of the staircase, we find the master suite, consisting of a room that can be either a dressing room or a laundry room, a full bathroom and finally, the bedroom with as much space as an office, dressing room and with access to a terrace overlooking the...
