APROPERTIES REAL ESTATE presents a new-build detached villa in Fuente del Fresno.

The contemporary design seamlessly combines architecture, functionality, and energy efficiency. The 2,500 m² plot is situated in a peaceful setting offering unobstructed panoramic horizon views. Planned upon it is a 460 m² home distributed over two floors. The main floor accommodates the daytime living area, featuring an expansive living-dining room with an open-plan kitchen, a family lounge, a guest powder room, and an en-suite guest bedroom. The first floor hosts four en-suite bedrooms. The materials selected for the project deliver a relaxed, natural, and timeless aesthetic. Do not hesitate to reach out for further details regarding the architectural project. aProperties invites you to visit our website www.aproperties.es to discover our complete property portfolio.
