Exclusive Luxury Homes in the Heart of Sant Cugat

In one of the most coveted streets of Sant Cugat del Vallès, a unique development of just 6 signature residences is born, where contemporary design, efficiency, and comfort blend seamlessly with the peaceful essence of the historic center. With interior spaces ranging from 58 m² to 194 m², these homes offer layouts of 2 to 4 bedrooms, catering both to those seeking a sophisticated retreat and to families who value space without compromising on location. Each home has been envisioned with a singular architectural approach, integrating high-end materials, advanced home automation systems, and an A energy rating that ensures efficiency without sacrificing style. Its southeast orientation guarantees exceptional natural light all year round. Completion is scheduled for the fourth quarter of 2026, offering the chance to acquire a home in an unbeatable location, just steps from the Monastery, surrounded by select shops, fine dining, and green areas.
