In one of the best areas of Sant Cugat we find this magnificent townhouse, within a beautiful communal area with pool.

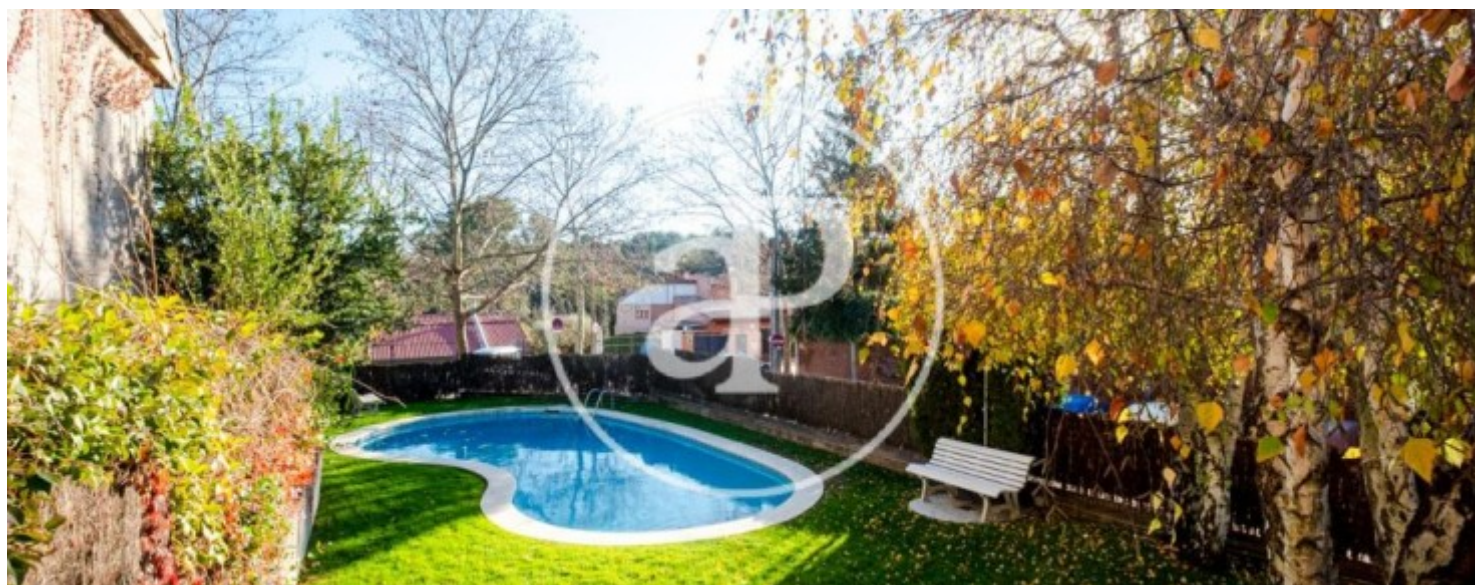

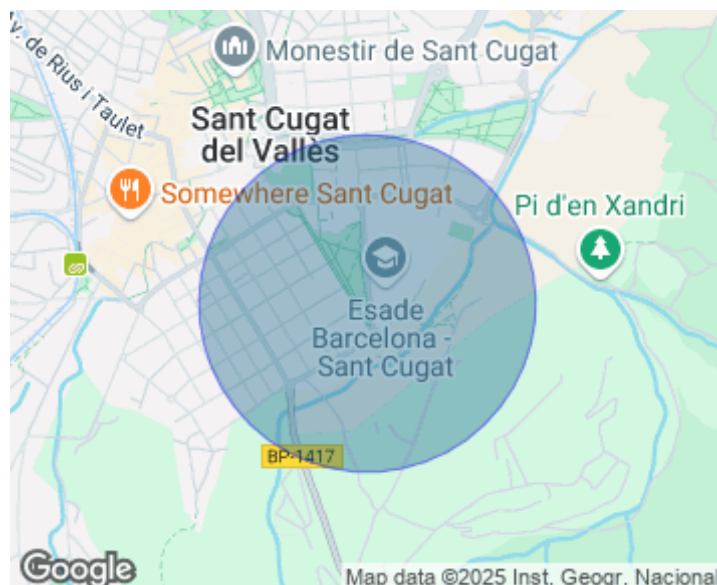

It is a quiet community with very few neighbors. Starting with the main entrance starts with a large hall with courtesy toilet and built-in wardrobe. Then follow the fantastic fully equipped kitchen with appliances. On this same floor has a living room of more than 50sqm, very bright for its orientation and with direct access to the private garden. On the first floor we have the night area with four bedrooms, a suite with private bathroom and dressing room, and exit to the balcony and facing the garden. Three spacious rooms with fitted wardrobes and a

large bathroom with double pica. On the third floor we find a large attic area with very high ceilings, completely transparent and versatile, also with access to the 20sqm solarium terrace. On the ground floor there is a large garage with capacity for 4 cars, also a large and functional water area with wardrobe, tender and ironing space. A detached house with unique features in the heart of Sant Cugat a few minutes from the center and places of leisure and recreation, a unique location near schools parks and Esade. * In compliance with Law 12/2023 and Law 18/2007, we inform that
