We access the house through a large and bright hall that gives us access to the day area, where we find a large living room with fireplace and exit to the garden.

We also have a wonderful fully equipped kitchen, a bathroom and a bedroom. On the second floor, there is the sleeping area, which consists of a master bedroom of 26 m² with a large dressing room and a bathroom. On this floor, we also have another bedroom of 26 m² with bathroom, which could easily be divided and could even build another floor, as we have a height of 5 meters. This entire floor has access to a large terrace overlooking the Collserola mountain. On the lower floor of the house, we

find an office or multipurpose room and a small bathroom. This area has access to a back garden of 100 m². Outside, the garden is equipped with a beautiful swimming pool, where we can also enjoy a beautiful porch with chill-out area, to enjoy with our family and friends. This wonderful design house comes equipped with garden, swimming pool, solar panels and high quality finishes.
