Elegant house with large spaces and high ceilings built in 1949 on a 585m² plot.

With the charm of the era, we find this wonderful 240m² house that offers us beautiful rooms and is surrounded by a large Mediterranean garden with a swimming pool, terraces, and a summer dining area. Through magnificent stairs and a cozy porch, we access the house, entering the hall of the main floor. From here, we find a large living-dining room that features a fireplace and a stately glazed bay/rotunda with large windows and plenty of natural light, ideal as a reading, music, or relaxation area. The generously sized kitchen also has an office/breakfast nook area, a pantry, and

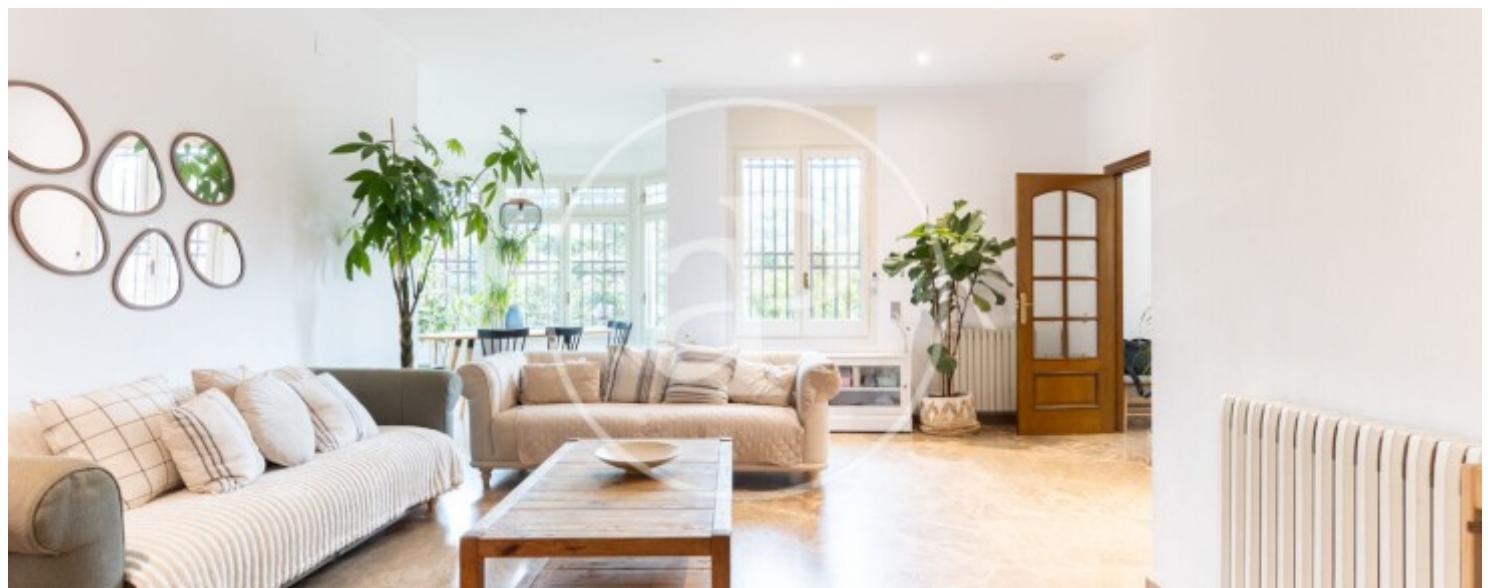

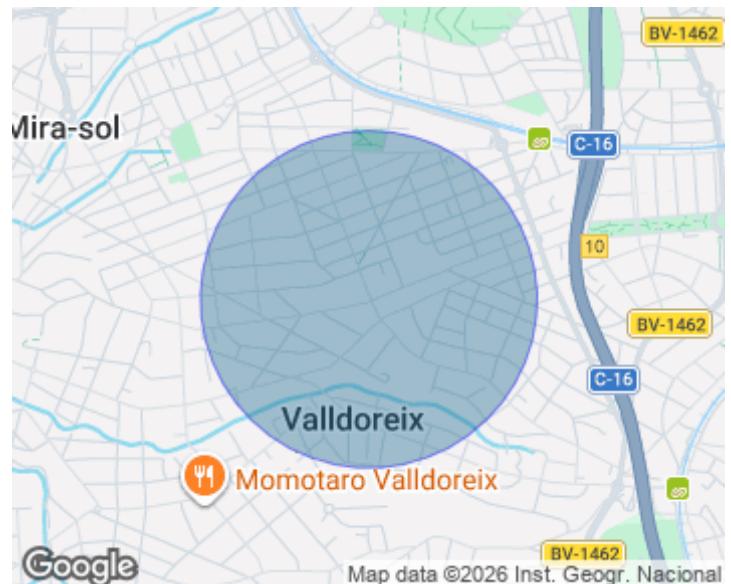

access to the garden and one of the terraces. On the same floor, we find an en-suite bedroom, a double bedroom, and a full bathroom. The first floor consists of a large attic room with wooden ceilings, a full bathroom, and the master suite with beautiful views and a large walk-in closet. In the semi-basement, in addition to a garage for 2-3 cars, we find various highly useful spaces such as the laundry area, a storage room, a wine cellar, a bathroom, and a room that can be used as an office, study, or play area. The house has gas heating, air conditioning, built-in wardrobes, parquet floors,...
