We are pleased to present this extraordinary and exclusive detached house offering 900 sqm of usable space, designed by the prestigious architect Joan Enric Ejarque and built in 2018 using top-quality materials. Located in a privileged residential area known for its tranquility, the property also enjoys excellent connections to the heart of Barcelona. The house comprises a total built area of 1,044 sqm, set on a 2,900 sqm plot, and is distributed over two main floors plus a semi-basement level. From the exterior, the high architectural quality is immediately evident, with a modern, elegant and understated design. The main entrance evokes the iconic Mies van der Rohe Pavilion, highlighting the unique character of the property. Upon entering, the entrance hall immediately conveys a coherent and distinctive architectural identity. The glass façade, with large floor-to-ceiling windows, floods the interior with natural light throughout the day and offers stunning views of the garden. The ground floor features a spacious living-dining area, ideal for family gatherings and social events, enhanced by a large window spanning the entire façade that visually connects the interior with the front porch, the swimming pool and the expansive garden. Adjacent to this space is the spectacular designer kitchen, with direct external access and fully equipped with high-end Gaggenau...
