We are pleased to present this incredible and exclusive house of 900 m² useful, designed by the prestigious architect Joan Enric Ejarque, built in 2018 with top quality materials.

The house is located in a privileged residential area, for its tranquility and at the same time well connected to the neuralgic area of Barcelona. The house of 1044 m² sits on a plot of 2900 m² and is distributed on two floors. From the outside of the house, you can already see the quality of the house, with a modern, luxurious and sober style. Here, we find an exterior main entrance that evokes the Mies van der Rohe pavilion. Once inside, in the entrance hall we appreciate

its unique style, with the same architectural philosophy. It has a covered facade with large windows that provide natural light throughout the day and spectacular views of the garden. On this first floor we find a spacious living-dining room, ideal for meetings with friends and family, with a large window that covers the entire front and separates the living room from the front porch and offers beautiful views of the pool and almost the entire garden. Next, there is the spectacular designer kitchen, with direct entrance, fully equipped with top of the line Gaggenau appliances. It also...
