Spectacular family house located in the best neighborhood of Valldoreix, area of Montmany.

The exterior of the house is surrounded by an impressive garden of green leaves and white flowers, which has a summer dining area. Inside the house, we find spacious rooms with high quality finishes and materials. The views from the garden and the rooms are spectacular and encompass almost all the Vallès. Entering the house we find a spectacular entrance hall, illuminated by a skylight that floods the house of light. The distribution of the house allows many possibilities, both to be enabled by a family, and to use it as a social center or other options. It has a cellar,

a gym, an attic, a service room, a basement with several and spacious rooms and a roof terrace with a solarium. In the garden, in front of the indoor covered pool that includes a jacuzzi area, a rain shower and a massage area, we find a golf area. The house is located in a residential area but very well connected to the AP-7 and other access roads to the main urban centers.
