It is a beautiful house, with a spectacular light, a very good distribution and top quality materials, with an energy efficiency of A, has aerothermal, so the electricity and heating costs are very low.

This townhouse is within a community with swimming pool, swings and green areas, ideal for families with children. On the second floor we find a large kitchen and a bathroom, the spectacular living room with huge windows, and access to a terrace of about 35 meters, which leads to the communal garden. On the second floor, the four bedrooms with two bathrooms, one of them en suite. Aluminum carpentry of first quality and light is still the main protagonist. On the top floor we find a beautiful terrace and the laundry room. The house is ready to put an elevator if desired. In the basement fit two cars and two motorcycles, we also find two storage rooms for storage. There is nothing like it in the area, it is a house almost brand new, within a community with many green areas.
