Beautiful house with charm of Majorcan style, in the best zone of Sant just.

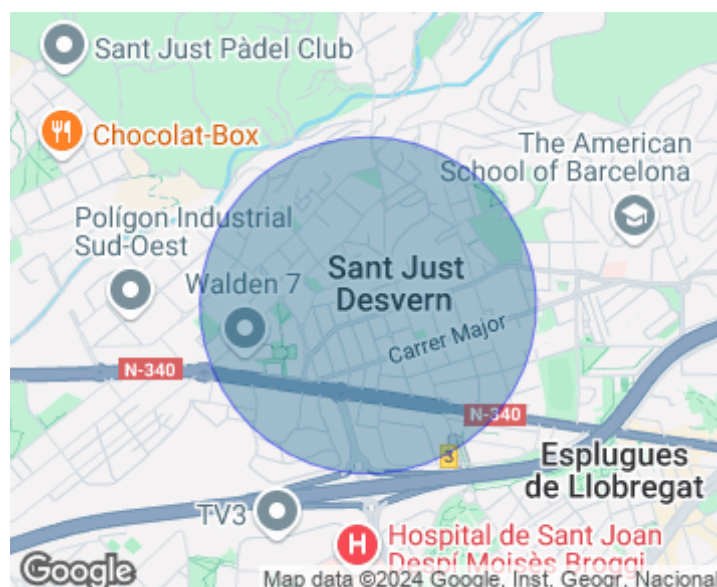

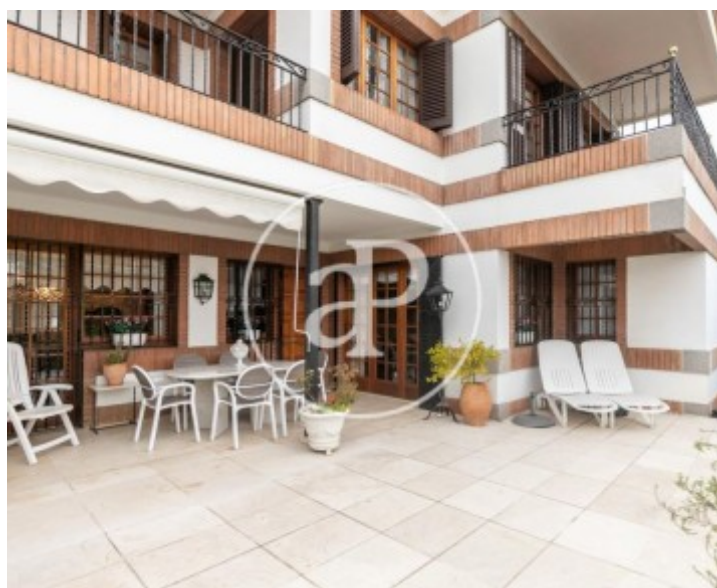

The house is surrounded by fruit trees on a plot of about 400meters, with two different entrances to two different streets. The house consists of a large terrace at the entrance where you can enjoy a nice porch with lots of light. The house consists of four floors, on the first floor a distributor with an office and a toilet, a pleasant living room with exit to the porch and a kitchen quite large fully equipped. On the top floor we have five bedrooms, one of them with bathroom, and the other four bedrooms with a common bathroom; two of the bedrooms have terraces with views. Upstairs there is

a very coquettish attic of great amplitude, with exit to another terrace also very luminous. On the ground floor we find the service room with a very large bathroom, two laundry rooms and two storerooms. It has a garage for three cars. The house is very well preserved and would not need to do any work, ready to enter to live.
