We are facing a charming house, with large spaces, two floors, plus attic.

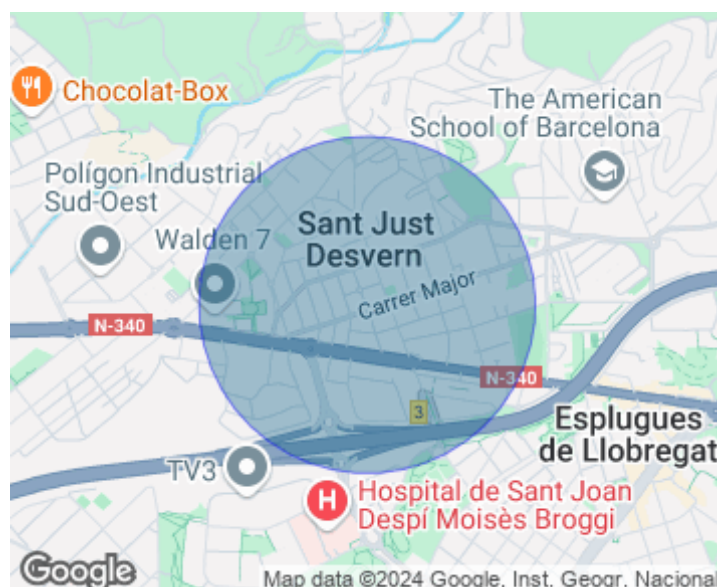

The house has large spaces, on the second floor we find a majestic entrance hall, from there we give way to a large living room, and on the other side to an office / library giving way to the kitchen, with its laundry room and bedroom with bathroom. Here there is a large terrace, the whole house is on a large plot of 856 meters. It consists of two very spacious floors of 190 one and the other somewhat smaller, upstairs the attic of 50 meters. On the second floor there are six bedrooms with 3 bathrooms, two of them are en suite. The part of the attic has two bedrooms and a bathroom. The

house has been expanded and renovated over time, although in some areas it needs updating. The plot is large and does not have a swimming pool. The location is very good, just a few minutes walk from the international schools and main services, it is a house with its own character and very different from the house that are on the market. Come and see it!
