This is a truly unique house in the center of Sant Just, remarkable for its large plot of almost 1,000 m², where the house occupies 172 m² and the rest is dedicated to a beautiful garden with a large swimming pool, a fronton court, and a barbecue area — all in the very heart of Sant Just, which makes it something quite special. The house underwent a complete renovation in 2018, so it's ready to move in without the need for any further work. Its main feature is the abundance of natural light throughout the home and the spaciousness of all rooms. The property consists of four floors, with a total built area of 571 m², and includes a hydraulic lift. Entering through the main door, you are greeted by a large entrance hall leading to a bright and welcoming living room with a

fireplace and access to a generous terrace. On this floor, there is also a multipurpose room with direct access to the garden, where you'll find the saltwater pool and fronton court. Additionally, this floor includes a double bedroom with a full bathroom and the utility room. On the first floor, you'll find the main living-dining room with a fireplace and access to a charming 18 m² porch offering impressive views. On the same floor, there is a beautiful, bright kitchen fully equipped with high-end appliances and Alimodul furniture: Smeg gas hob, Pando extractor hood, Bosch...
