### EIGHT BEDROOM HOUSE IN SANT JUST.

This is a unique house in the center of Sant Just, with an unbeatable location near international schools and public transport, streetcar and bus stops. In this house the great protagonist is the light, enjoys large windows spread throughout the house. The distribution is very comfortable for families. On the second floor we find a main hall, which lets us see the two heights of the house, something architecturally very nice and sought after. On this floor we find a very large living room with access to the outside and a very spacious kitchen, a utility room attached to the kitchen, the maid's room with its own bathroom and a large

office that could also be a master bedroom and a guest toilet. Upstairs there are 5 huge bedrooms, one of them en suite with a great dressing room, and two more bathrooms. The top floor has a home cinema room, another bedroom with full bathroom and another area of closets for seasonal changes, with access to a large terrace. It has a large garage with machinery area underneath. The garden is very large with great vegetation and a swimming pool with barbecue area and porch, it is a wonderful house, come and see it.
