The house of typical Mallorquian construction with stone façade impresses at first sight. The villa of 156sqm is distributed over one floor. There are 3 bright bedrooms (one en suite), a spacious living room with fireplace, 3 bathrooms and a fully equipped kitchen open to the dining room. Both from the living room and the dining room there is access to a large terrace with enough space to eat with friends or family, relax and enjoy the scenery of the natural park. A large swimming pool of 29qm and garden of the property, bordering the vegetation of the natural park, complete this unique outdoor space. A spiral staircase on the terrace leads to a rooftop solarium with spectacular views of the natural park. With air conditioning and central heating, this fantastic villa can be enjoyed perfectly in summer as well as in winter. The villa has a separate laundryroom. It enjoys all the comfort...
