Situated between Sineu, Santa Margalida and Ariany, only a few minutes from the bay of Alcudia, Can Picafort and the beautiful unspoilt beaches of Son Serra de Marina and Colònia de Sant Pere, is this plot of approx. 16.000sqm with electricity in the building and natural water supply just a few metres away and with spectacular views to the church with its beautiful bell tower, the hills and the valley. Elevated, on the outskirts of the village, in a haven of peace and tranquillity with an old building of approx. 40sqm and only 10 m. walk to the village of Maria de la Salut, a rural inland village which has based its economy for centuries on agriculture, livestock and the production of farm produce. In the large square you will find most of the shops, bars and restaurants, where a

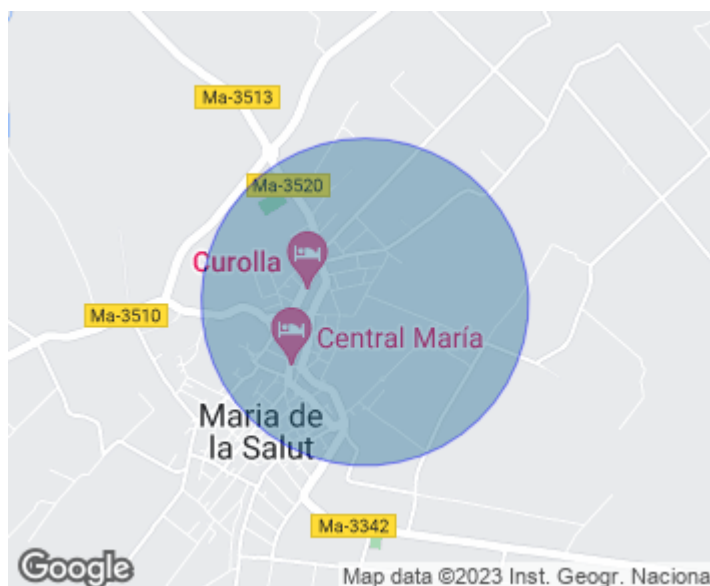

weekly market is held. The Parish Church dates back to the 16th century and the bulbous shape of its bell tower, an icon of the locality, still conserves the typical mills and rentadors of the villages of Mallorca. It is a charming village, full of traditions, located in the central part of Mallorca, nowadays very popular with nature and hiking lovers. Don't miss the opportunity to live in such a special enclave with so much tradition!
