Located in the exclusive residential area of La Plana de Sitges, this high-end detached villa is an architectural gem that combines contemporary luxury and sustainability in a unique design.

With delivery scheduled for February 2026, this property is designed for those seeking an unparalleled living experience in a natural and privileged setting. Main features: Sustainability and energy efficiency: The villa has been designed to offer maximum interior comfort with minimal environmental impact. Its strategic orientation, advanced thermal insulation, high-performance carpentry, and heat recovery ventilation system ensure optimal indoor temperature and excellent air quality. This significantly reduces the need for artificial climate control, resulting in minimal energy consumption. Private pool and outdoor spaces: Enjoy the Mediterranean sun in your private swimming pool, as well as the villa's spacious terrace and garden. The garden is carefully designed and features an elegant chill-out area, ideal for relaxing in a private and peaceful environment. Interior spaces and high-quality finishes: Inside, the villa offers spacious, light-filled interiors with luxury finishes that enhance its contemporary design. A standout feature is the...
