In the coastal town of Sitges, just 40 minutes from Barcelona city center and 15 minutes from El Prat International Airport, this exclusive property is located in the Santa Bárbara area, offering breathtaking views of the sea and the town. Situated on the eighth floor, the apartment was fully renovated to create spacious, open-plan interiors; originally, it featured four bedrooms. The El Mirador building, one of Sitges' most iconic residences, has been refurbished and now offers security and concierge services, along with a well-maintained communal area with a swimming pool and gardens. Following the renovation, the home boasts generous living spaces and a glass-enclosed terrace with a movable structure, perfect for year-round enjoyment. Upon entering, you are welcomed by an elegant

entrance hall, a guest bathroom, a fully equipped kitchen, and a large open-plan main living area with sea views and direct access to a spacious terrace. The night area hosts the private quarters, including a well-sized double bedroom, a spectacular walk-in closet, and a large full bathroom. The property stands out for the high quality of its materials and features: underfloor heating, state-of-the-art home automation, gas fireplace, air conditioning, and a home cinema installation with projection system. The building also offers private parking and a storage room. If you are looking for...
