**aProperties presents La Alquería de Vilches, a truly exclusive and interesting property with many investment possibilities.**

This farmhouse, which was originally an old farmhouse, has been completely refurbished. The interior design project has been carried out with great coherence and taste in every detail, maintaining a style in keeping with the Mediterranean air of the area, which makes it impressive. It is located in Mareny de Vilches, near the beach and in a protected natural park, surrounded by orchards. It is an area highly valued by both Valencians and foreigners who visit us every year. In addition, the area has all the services and amenities nearby,

which makes it a privileged location just 30 minutes from the city of Valencia. On entering the property, we find a large open-plan social area, with several rooms: a dining and relaxation area with a fireplace. There is also an office area and two guest toilets on this floor. The walls have large floor-to-ceiling windows, which allow a really special natural light, thanks to its multiple orientations and its direct exit to the outdoor area, which includes a large porch and a charming patio with swimming pool. In the area perpendicular to the ground floor, there is a large industrial kitchen...
