We present this fantastic house in the centre of Terrassa, completely refurbished and located in a street with hardly any traffic or noise.
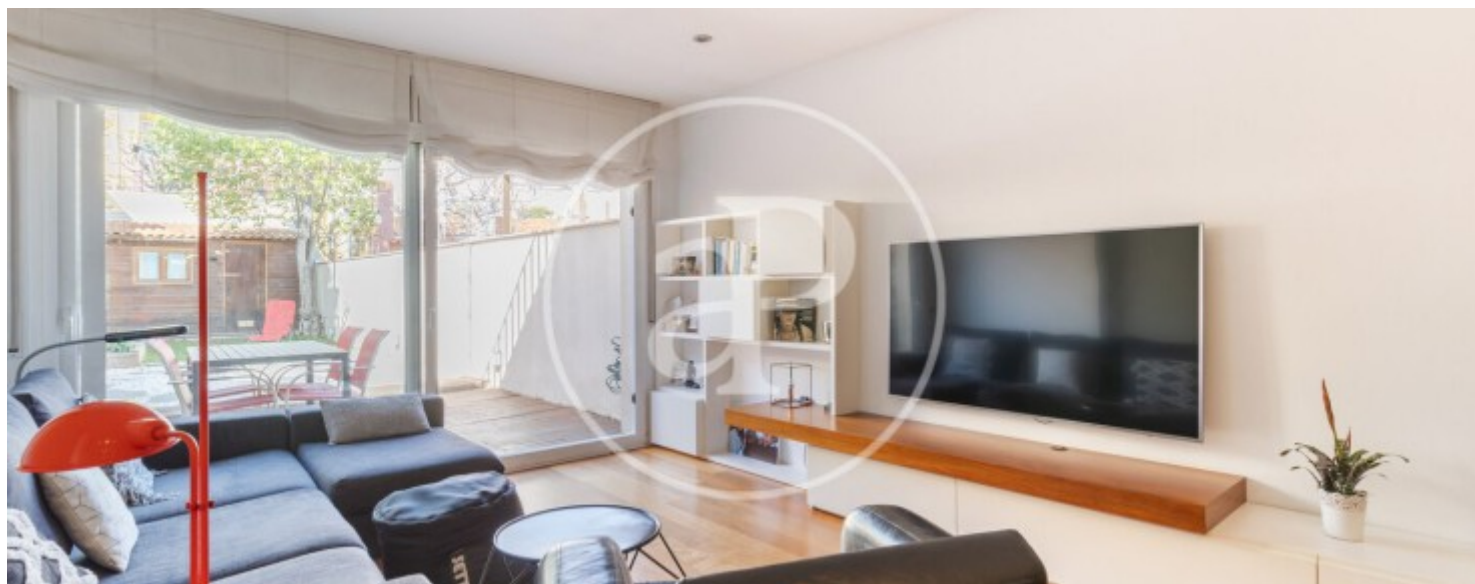

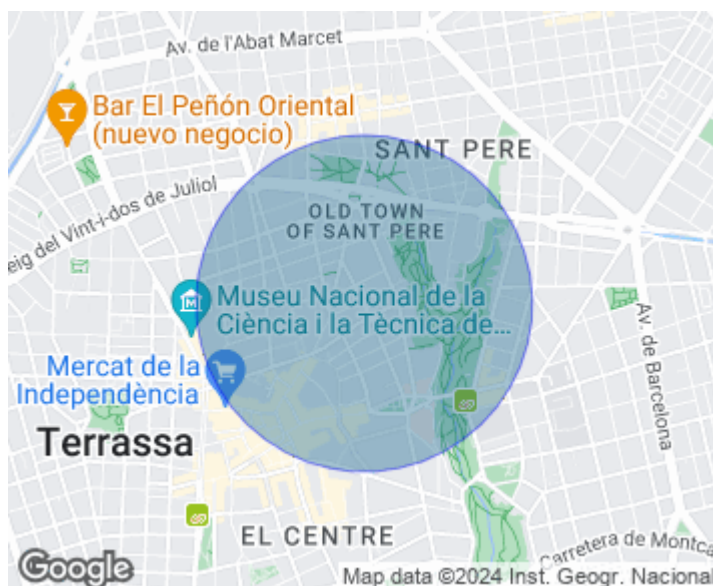

It has very well distributed and functional spaces combining modernity and practicality. The house has a large parking space for a car and a motorbike. We access the ground floor, with a courtesy bathroom, a square and modern kitchen open to the dining room with access to the bright garden of about 60m2 that offers a special touch to the house, and has a versatile shed giving you the freedom to give it multiple uses according to your needs and preferences. On the first floor, we access the sleeping area, which includes a large bathroom with shower and bathtub and three bedrooms, two singles and one double with access to a large terrace where we have the water area. And finally, we access the charming loft, adding a distinctive touch. This additional space is ideal for adapting to your needs, either as an additional rest area or as an office area. The privileged location of this property gives you the opportunity to live in the heart of the centre, with all the necessary services at your fingertips. Translated with DeepL.com (free version)
