This renovated semi-detached townhouse in Velilla de San Antonio combines generous proportions, comfort, and outstanding energy efficiency.

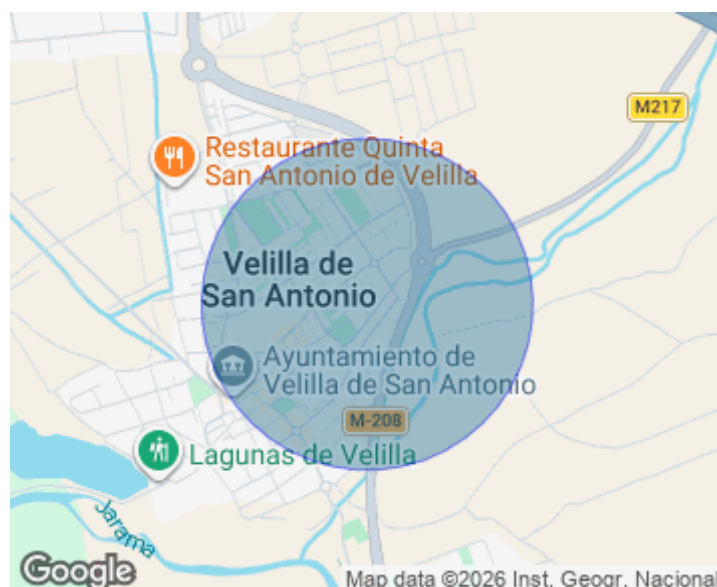

Distributed across four floors, it features four bedrooms, multiple bathrooms, a private garden, and a two-car garage. Its luminous interiors, solid build quality, and thoughtful design make this residence an especially compelling choice for families seeking an expansive, updated home with outdoor spaces and energy-saving technology, just 22 km from central Madrid. The main floor centers around a spacious open-concept living-dining area with an integrated kitchen and direct walkout access to the garden, complete with a barbecue

area. It also includes a laundry room and a guest powder room. The first floor hosts three bedrooms and two bathrooms, notably a primary bedroom with a walk-in closet and an enclosed glass terrace. The attic level provides approximately 40 m² of open-plan living space fitted with Velux skylights and specialized thermal and acoustic insulation, ideal as a home office, playroom, or relaxation retreat. The basement floor accommodates a two-car garage, an additional multipurpose room, and storage space. The home further stands out for its 10 solar panels paired with a storage battery system,...
